Emy,

Attached are the 16 sheets of the 1991 record drawings. We have not located any drawings for the RCRA Landfill more recent than 1991.

Please contact me with any questions or comments.

Thanks,

Brian

Brian,

If you can start with the electronic files, that would be great. I will check on the need for hard copies and let you know if they are necessary.

Are the 1991 drawings the only ones you have for the RCRA landfill? Is there anything more recent?

Thank You,
Emy

Emy,

I have an electronic version of the record drawings for the RCRA Landfill Closure dated September 1991. Would it be acceptable to email you the 16 sheets from the record drawings? Or do you require full prints of the record drawings?

Thanks,

Brian

Importance: High

Brian,

Here is a draft agenda for our upcoming meeting. One of the items listed is a discussion on the RCRA landfill. At our last meeting, EPA had requested engineering drawings of the RCRA landfill. We have yet to receive these drawings. Would you please update me on the status of those documents? It is important that we have a chance to review them before the meeting.

Let me know if you have any concerns with the agenda. Please feel free to call me before the meeting if any of the items are unclear.

Thank You,
Emy
